

# DESHPANDE FOUNDATION

## KAKATIYA SANDBOX

Complaints... start with THEY. Solutions... start with I

To:  
The Director  
Nishitha Degree College,  
Nizamabad

Date: 31-10-2013

This letter is to detail the memorandum of understanding (MOU) between Leaders Accelerating Development (LEAD) of Deshpande Foundation (DF), Kakatiya Sandbox and Nishitha Degree College, Nizamabad, Andhra Pradesh, India. LEAD is a youth development program initiated by Deshpande Foundation in Hubli.

The purpose of the relationship between LEAD and students of Nishitha Degree College, Nizamabad, will be, to explore possibilities for collaboration, and to partner on various students initiated projects. LEAD Cell is a group of college students that helps students to generate innovative ideas, develop initiative approach and creative thinking, plan activities, organizing guest speaker's sessions and trainings.

This agreement recognizes that LEAD is a unique college students' development program fostering Innovation and Initiation among the college students. LEAD aims at "building the nation of young LEADers", who can bring innovative solutions to the problems that they come across. LEAD provides intensive trainings to these students to improve their communication, presentation, IT, innovation and initiation skills, building their own networks etc. Students get international visibility with the chance to work on live projects in collaboration with international students. LEAD has its existence in more than 60 colleges covering 11 districts of Karnataka and now extending the activities in Kakatiya Sandbox.

Below are the responsibilities of LEAD and the Nishitha Degree College, Nizamabad:

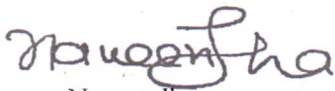

### LEAD

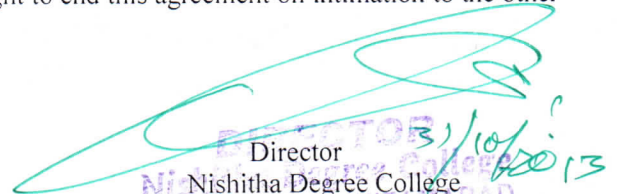

- **Mentoring and training students** to promote their innovative and leadership skills
- College name and web link on the LEAD website/blog
- Providing opportunities to college to **network with other enterprises and global institutions**
- College participation in LEAD/DF annual gathering
- **Finance to students innovative ideas**
- Best performing students will avail the **advance benefits** of LEAD+
- Successful entrepreneurs / guest speakers session through cell
- Organizing Leadership Camp for active students in college campus

### College

- Providing **infrastructure for LEAD Cell (Office meeting space/hall/notice board and basic logistic support)**
- Allotment of **weekly once session for registered students**
- Hosting leadership camp twice a year
- Minimum of 10% of the total strength of the college should be the part of LEAD (Registered students)
- **Subscription for three years Rs. 10,000/-** by the College
- One faculty (voluntary) to coordinate the LEAD activities in college campus
- **Promoting and encouraging students' activities** undertaken in the or outside the campus under the guidance of LEAD

All program details articulated here are to be acceptable by Nishitha Degree College, Nizamabad and Leaders Accelerating Development (LEAD) and both parties have the right to end this agreement on intimation to the other party if the above conditions are not fulfilled.
